

Special Meeting minutes 3/3/2026

Supervisor Stanton called the budget hearing meeting to order at 7:17 pm.

Discussions of the FY 2026-2027 budget. Cablevision Franchise Fee down from what it was in previous years. The Fire Billing Recovery Fund is new as we just A motion to amend the agenda for the addition of A 1 year Extension from Progressive for Union Lake Weed Control.

passed the Fire Billing Ordinance. Our goal is to help offset the Fire Department costs to help Jeff purchase the items necessary to keep the fire department in line with others. We will bill for everything but we may not collect on every call, we are aware of that. Snow plowing was added; Doug has always done snow plowing for us and was never compensated. We felt that it was only right to give him some sort of reimbursement for keeping our parking lot clean. We decided on \$150 per plow with a cap of \$1,500. Elections area is up as we have an election cycle this year.

Public Comment: none.

Supervisor Stanton moves to adjourn the meeting at 7:26 pm. Trustee Brott, second. Motion carried.

Respectfully submitted:

Hannah Smith
